recommended.<sup>2</sup> When you successfully access the link, you may be placed in a “virtual lobby” until the conference begins. Participants should also ensure that their webcam, microphone, and headset or speakers are all properly configured to work with Microsoft Teams. Members of the press, public, or counsel may access the conference’s audio using the following credentials:

Call-in number: **917-933-2166**  
Conference ID: **472 670 11#**

The Court requests that members of the public consider accessing the conference by telephone, rather than through the Microsoft Teams videoconference platform. While the proceeding is accessible to the public through the Microsoft Teams videoconference platform, the inclusion of many participants on the videoconference platform can reduce the quality of the video stream for the parties and their respective counsel.

SO ORDERED.
